

# Pyramid Power

Facilitated by  
Rev. Kathy Rottino, NST

The word Pyramid evokes an image of immense structures  
soaring upward from a vast ocean of sand

Come learn, enjoy, share, and experience the Power of the Pyramid

The ancients believed that pyramid healing was the art of healing the  
body, mind and spirit by utilizing universal energy

Meditation in a pyramid is said to be deeper and visions clearer

A 6 foot copper pyramid will be there for participants to use

We will make colored pyramids to take home  
handouts will include experiments and resources  
for those wishing to explore more
